OFFICIAL PRACTICE

The official practice will be held from August 17th and 18th at a cost of 4 € per min (240 € max) according to rule 1.18: Official Familiarization

The last two days immediately before the Championships will be reserved and used for Official Familiarization. This will be organized so that each competitor who has paid shall be allotted either a set number of passes and/or a certain amount of time at the discretion of the Chief Judge based on the principle that every skier shall receive an equal opportunity for familiarization.

Slalom skiers will receive a maximum of 4 passes (or 6 minutes); trick skiers 2 passes (or 5 minutes) and jump skiers 3 jumps (or 6 minutes).

Each team requesting familiarization time shall indicate on the official Intention to Enter form time required, which must be submitted at least 60 days before the scheduled start of the event. They must indicate how many skiers in each event wish to participate. Teams who do not comply with this deadline will not be included in the familiarization schedule. At least 45 days before the scheduled start of the event, the Organizer (in consultation with the Chief Judge, whose decision shall be final) shall announce the official familiarization schedule (including the allowed time). Time will be scheduled for competitors on a random team basis, and shall be grouped by event, i.e. slalom familiarization, trick familiarization and jump familiarization (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarization time.

The Chief Judge shall have the discretion to change the start time of team's familiarization based on extraordinary circumstances.
