Time will be scheduled for competitors on a random team basis, and shall be grouped by event, i.e. slalom familiarization; trick familiarization and jump familiarization (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarization time.

The Chief Judge shall have the discretion to change the start time of team's familiarization based on extraordinary circumstances.
